

OMG!

MICKEY INU

 **WHITEPAPER**

**DISNEY TO
DEFI**

Mickey Inu Part I

Mickey was exploring the world for treasure

He finds Blockchain and wants to know more.

Some hours later, he has fallen in love with BNB and wants to share it with the world...

Mickey heads to the Clubhouse and begins building with his friends

Mickey Inu Part 2

Mickey starts building
his perfect project and
learns more about DeFi

He carefully tests
and audits

Onboards his
influencer friends

Gets some Whales
to buy in

Thus began
the journey of
Mickey Inu

Mickey Inu is a Meme Coin project based around the fun and energy of the most popular cartoon character globally. We have a AAA Marketing Team to build one of the most iconic community followings in DeFi. The token is based on the Binance Chain. Mickey Inu will reward its holders in BNB rewards daily. Have fun and enjoy our moonshot journey.

Disney has come to DeFi.

INTRODUCTION

Objectives

We aim to increase the value of our currency to benefit our community.

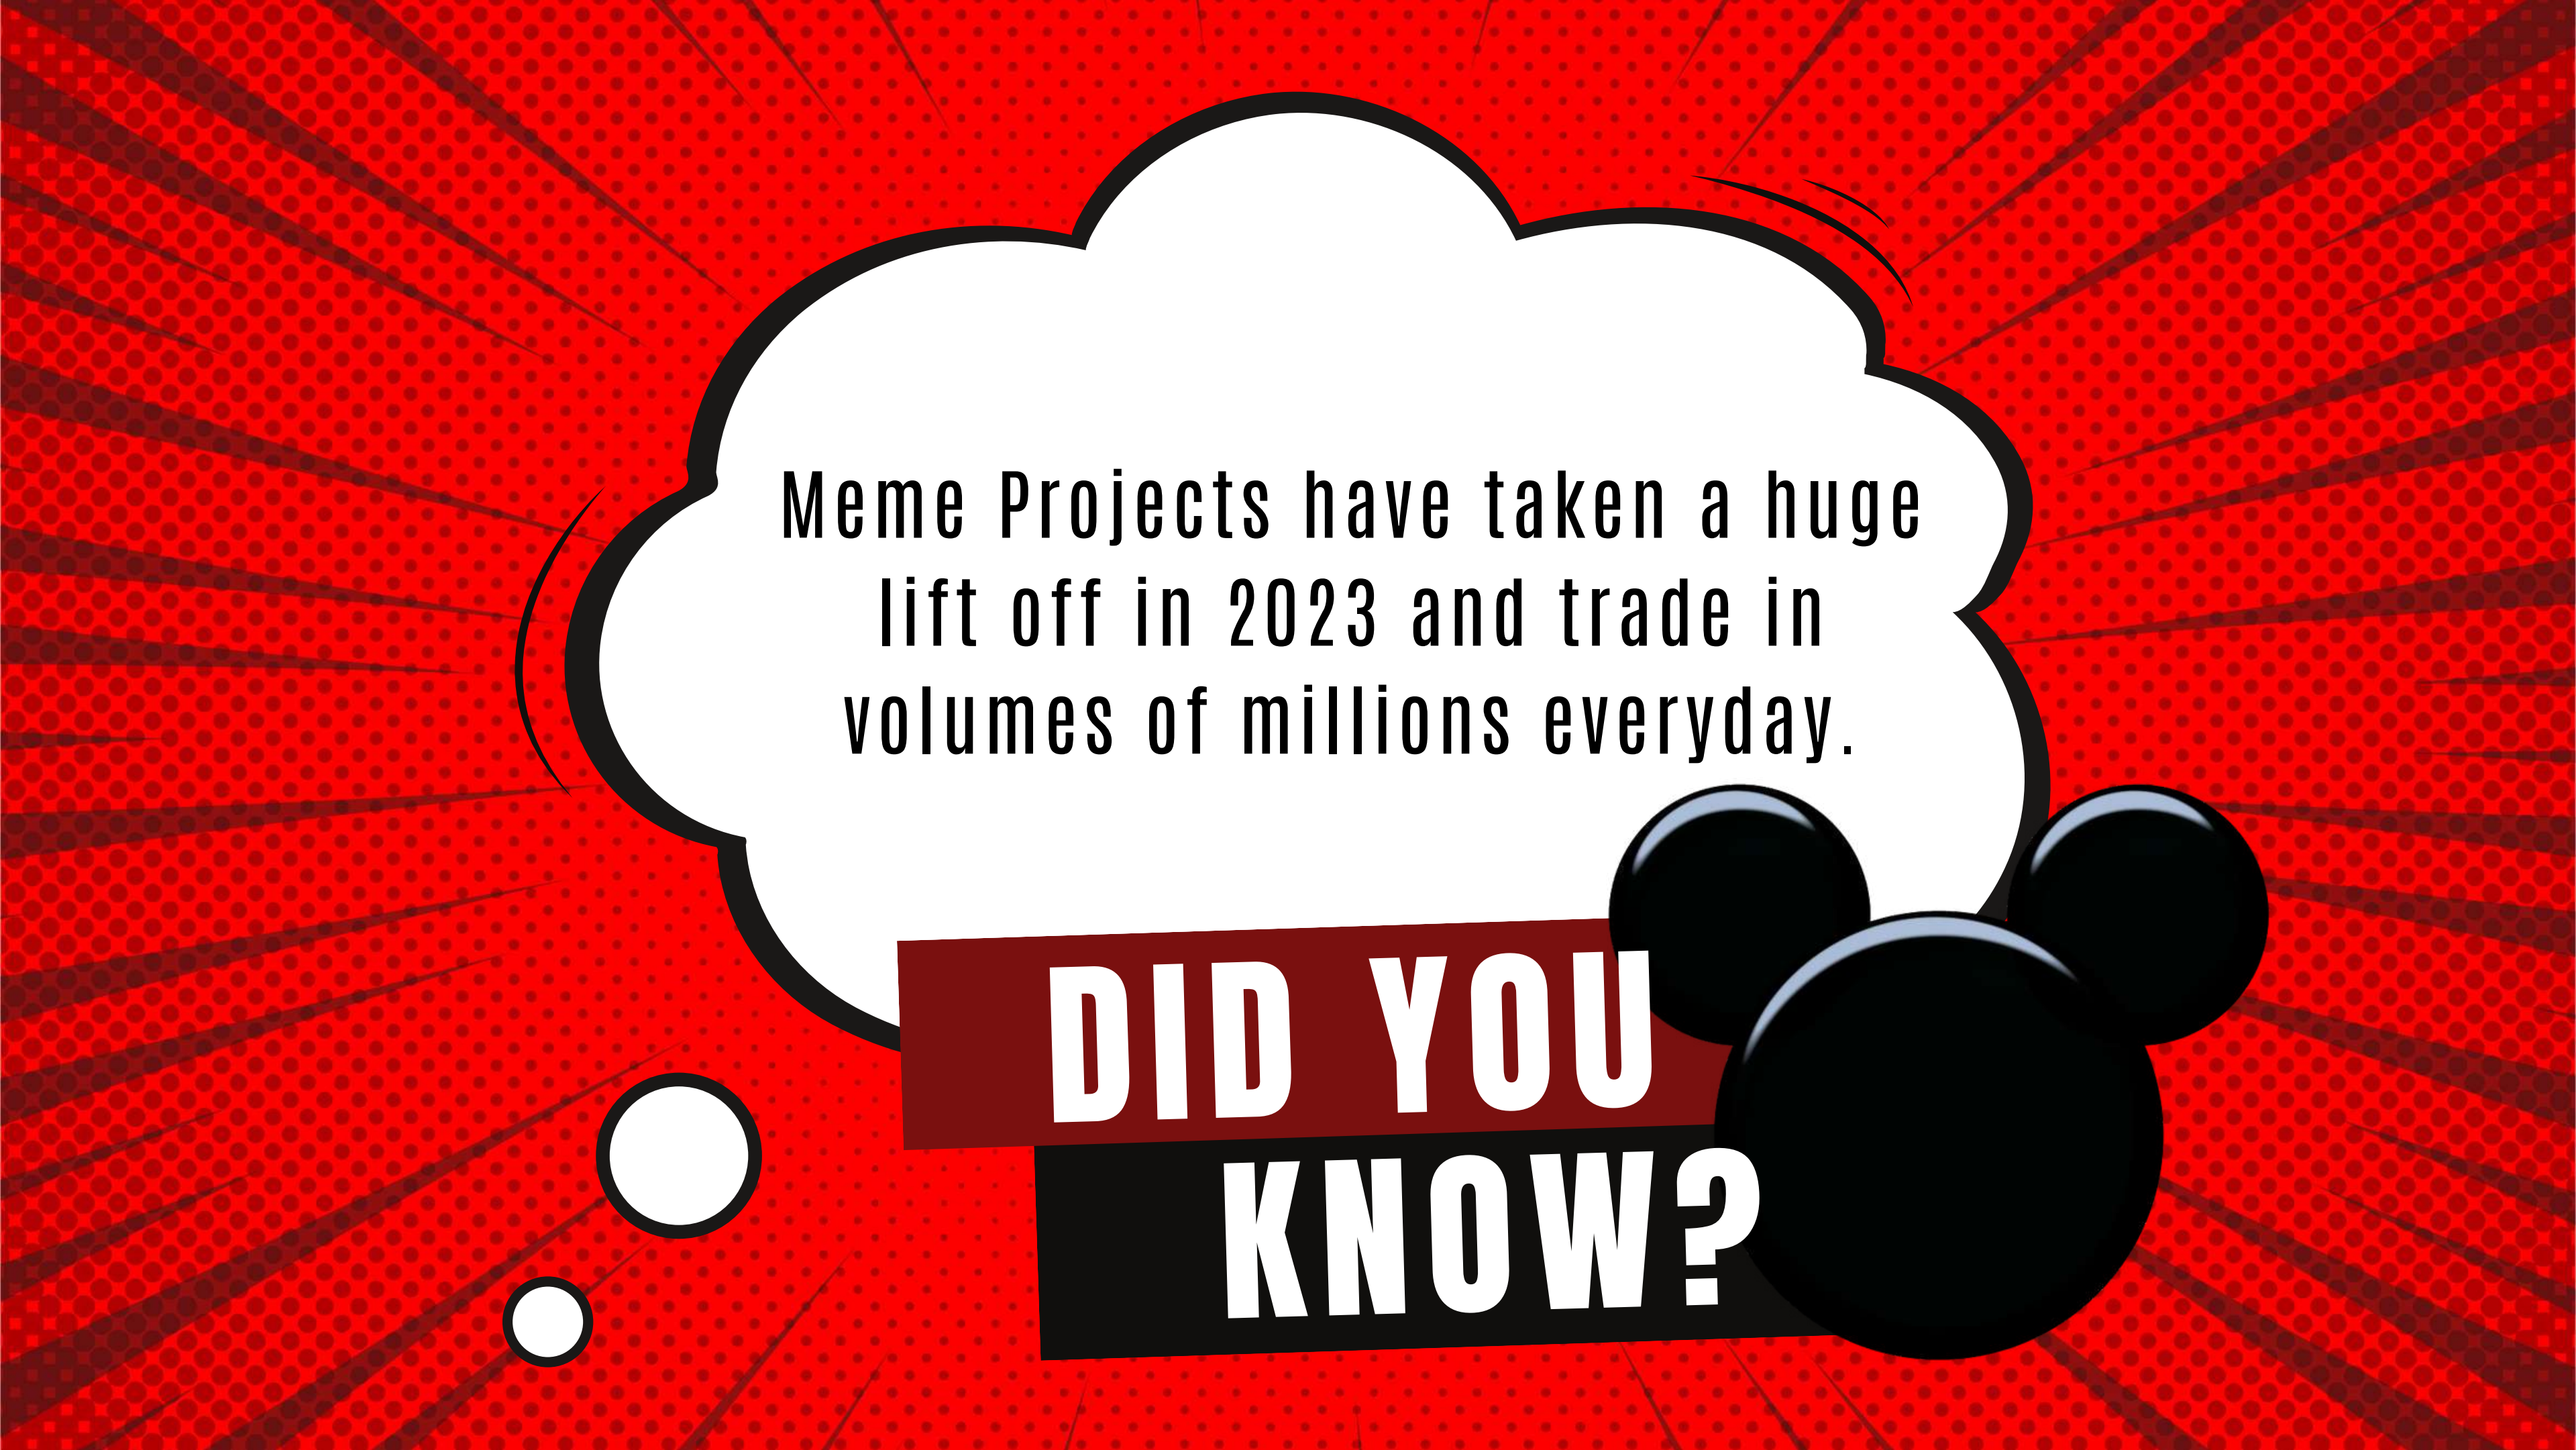

Building a strong, fun community group and increasing our holders to a Global level.

Partners already onboarded

Introduce a successful currency that supports our Ecosystem and brings value to holders while giving huge Bnb Rewards

5% Rewards

Partnerships with leading Influencers, Call Channels and Communities.

Meme Projects have taken a huge
lift off in 2023 and trade in
volumes of millions everyday.
